

Unit A: Notebook Assessment #1 Reflection

Part 2: Reflect on your ability to **use your notebook as a resource** during the Unit A: Notebook Assessment #1:

1. **Consider** your use of the Science Notebook: Unit A: Ecology (Check #1). Students self-checked their science notebooks and included total scores for both completed activities and homework stamped. These checks are an opportunity for students to reflect upon each unit and address any areas that may require improvement.

Rate yourself, on a scale of 1-5, by **circling** a number below for each statement:

- I completed my Unit A: Notebook Check #1 honestly and accurately at the time it was assigned.

1	2	3	4	5
Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree

- I took time to check my notebook carefully while completing the Unit A: Notebook Check #1; I did not rush to just get it done.

1	2	3	4	5
Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree

- I used my Unit A: Notebook Check #1 as a tool to review listed activities in order to prepare for the Unit A: Notebook Assessment #1.

1	2	3	4	5
Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree

2. **Consider** your level of participation and engagement during the Unit A: Scavenger Hunt #1. The scavenger hunt provides students with an opportunity to review the activities in their science notebooks and evaluate their preparedness for the Notebook Assessment.

Rate yourself, on a scale of 1-5, by **circling** a number below for each statement:

- I worked with my table group to find the Unit A: Scavenger Hunt #1 answers; I did not just wait for my group members to find the answers in their science notebooks and then copy their answers down onto my paper.

1	2	3	4	5
Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree

- As I was using my science notebook to complete the Unit A: Scavenger Hunt #1, I identified parts of my science notebook that were missing or needed improvements. I then made sure to complete/improve those parts before the Unit A: Notebook Assessment #1.

1	2	3	4	5
Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree

3. **Reflect** on how you can better prepare for future Notebook Assessments.

- **Explain how** you can develop a better resource by **describing** 2 specific ways in which you can improve your science notebook below:

a. _____

b. _____

Part 3: Reflect on your **learning** during E1, E2, and E3:

4. **Share** what you found interesting and learned in Unit A: Ecology so far this school year.
